Recommended music: "3 Js' Jig" by Sandy Nixon (see overleaf)

The 3 Js are June Hewitson, Jill Burrows and Judy Grimsey – Although all born in different decades they have formed a strong friendship through their love of Scottish Country Dancing and have spent many happy hours travelling to and from dances together over the years! *However I am happy for everyone who has found friendship through Scottish Country Dancing to think that this is for them... (especially if their name starts with a J!!!)*
