**17-24** 5 dances Lsh to 1(S) for 1/2 spine reel, Lsh to 2(W) for 1/2 reel across. 5 ends in centre facing N with corners back in start positions.

**25-32** Turning in LH to take their place as corners, 5 turns 1 turns 2 turns 3 turns 4 who faces N and becomes the new centre

	N	E	S	W	Centre facing
End	5	1	2	3	4 N

*The sweeping LH turn-ins of the last 8 give the name to this simple dance. They seemed to us like a French wine-waiter's flourishes as he weaves among the customers, drink tray by his R shoulder! Worth a try maybe.*
